

OSK20 Liter Oil Spill Kit

Small, economical kit that's great for grab-and-go convenience.

- Kit contains everything you need to respond to a spill of oily liquids
- Yellow duffle bag kit is perfect to tuck into a truck to handle leaks on the road or other equipment
- Includes socks to stop spreading spills, mats and pillows to absorb liquids and Safety equipment like gloves
- Bold "Spill Kit" lettering for quick identification printed on one side
- Temporary disposal bags for easier cleanup

Quick Response is Key

Spills happen no matter how hard you try to avoid them. Forklifts knock over drums, tanks are punctured and transporters leak and drip. It is important to have the right sorbents on-hand when these spills occur to eliminate the slip-and-fall hazard. A quick response is the first order of business — and your best weapon — in the fight against spills. SpillTech® Spill Kits are packed with quality SpillTech® Products to help you clean up fast and comply with regulations.

The Sorbents You Need Are All Inside

Includes a variety of sorbents to handle small spills of oil and other petroleum-based fluids — while repelling water — when on the road or other equipment; pre-packed in a sturdy Nylon bag for security on the go. Self-contained, compact Kit stores sorbent products for easy access as needed for spill control; saves time when quick response is necessary. Small size is ideal for use in fleet vehicles. Soft-sided duffel bag is ideal for grab-and-go convenience. Zipper provides secure closure to protect sorbents from dirt and damage. "Spill Kit printed on one side.
